

Laws Railroad Museum

Pave a Path through the Past to the Future

The Laws Railroad Museum & Historical Society invites you to join our Brick Campaign to help build a brick pathway around the museum. Purchase a row of bricks and you can personalize up to five bricks in each row to be installed in the new pathway.

Personalized bricks make great permanent gifts. You can give a gift that lasts for years in your name or memory of a friend, family or veteran. Bricks are a great way to recognize children, grandchildren, pets, engagements, special achievements or your company.

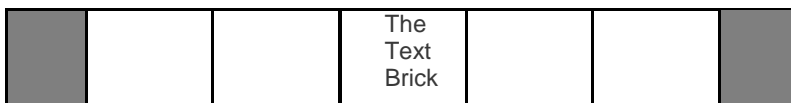

The bricks are engraved using state of the art laser technology. Their strength and durability will create a lasting impression. Your commitment to preserving our history is a legacy that will live on.
